Avalon Bodenmilch - natural floor milk

Description

For all oiled and waxed surfaces like wood, cork and linoleum. Use as basic care and for maintenance, after cleaning the surfaces with Vegetable Soap. Made of natural raw material, protects against soiling and mechanical wear and tear. Satin finish without polishing after a short drying time, refreshes the surface, breathable, soil-resisting. Caring at regular intervals will lead to a nice patina. Biodegradable at least 99 % (OECD standard)

Ingredients

Water, carnaubawax, lavender oil, bergamot oil, vegetable emulsifier.

Hazard statements

Contains bergamot oil. May cause allergic reactions.

Application

Start the basic care of newly treated floors after 4 weeks at the earliest. Clean first with Avalon Pflanzenseife soap. Dilute 10-30 ml Floor emulsion with 10 L lukewarm and fresh water.

Packaging and consumption

Depending on use. Approx. 10 - 30 ml in 10 L water for daily use and 60 m² / l in undiluted form.

Packaging: 1 l, 2,5 l, 10 l

Storage

Under cool and dry conditions. Close container well after use.

Disposal

According to locally regulated laws. European Waste Catalogue (EWC) 07 06 01.

Cleaning up

Clean equipments after use immediately with water.

Precautionary statements

Keep out of reach of children. Avoid release to the environment. Dispose of contents/container according to local regulations.

Safety data sheet available on request.
